

"*International Relations* strikes a wonderful balance between providing students with factual knowledge about what is going on in the world and the theoretical tools necessary to make sense of it all. Clearly written, well organized, and up-to-the-minute, it is a terrific introduction to the field."  
—ANDREW KYDD, *University of Wisconsin–Madison*

"Students have realized that women—as factory workers, as peace activists, as political thinkers—need to be discussed in IR courses. Goldstein and Pevehouse's up-to-the-minute, engaging introductory text responds to this need."  
—CYNTHIA ENLOE, *Clark University*

"[As authors of a] thoroughly engaging and comprehensive textbook, Goldstein and Pevehouse successfully guide students in applying IR theory to real world events. The authors do a masterful job of explaining world affairs and of developing students' ability to evaluate contemporary international policy debates."  
—JELENA SUBOTIC, *Georgia State University*

This brief version of the best-selling comprehensive survey—*International Relations*—presents the same approach and coverage but in a streamlined and flexible format. From war and trade to human rights and the environment, this text wins praise for being the most current introduction to international relations theory as well as security, economic, and global issues. Applying a broad range of theoretical perspectives to help students analyze what is happening in the world today, *International Relations*, Brief Edition is perfect for courses where multiple texts are assigned.

- The most up-to-date analysis of world affairs available in any introductory text helps students become more informed of political, economic, and cultural events throughout the world.
- Chapter 4, "Conflict, War, and Terrorism," includes a more in-depth discussion of **counter-terrorism**.
- Chapter 6, "International Organization, Law, and Human Rights," comprehensively surveys **international human rights institutions**.
- Chapter 7, "North-South Relations," expands the discussion on **migrant remittances, foreign aid, and China's rise** in the global economic structure.

- Every table and figure features the **most recent data**, and dozens of **new photos** reflect major events from the past year while reinforcing key concepts in the text.

*Readings in International Relations* pairs writings on international relations theory with writings on current events to help students explore the relationship between concept and application.

**MyPoliSciKit for International Relations** features multimedia and interactive activities to help students connect concepts to current events and to help instructors follow students' learning.
